

GAS GOAL

Gas

Whatever I do, I make it my aim to please God and to glorify Him.

If I am at work, I am there to glorify God. If I am with my family, I make it my aim to please God in how I treat my family. If I am at a sporting event, I work to honor God with my thoughts, words, and actions.

1 Corinthians 10:31
Colossians 3:23

Goal

Putting the wrong fuel in the car will cause the car to sputter and not work correctly.

Humanly speaking, doing anything with the wrong motivation will cause confusion, chaos, and Christlessness.

Doing things with the right motivation will produce clarity, contentment, and Christlikeness.

The World

To go where I want to go, get as much as I can on the way there, and get it as fast as I can.

I live for work because it gives me what I want. I live for the weekend to party and live it up. I live for my family because they give me what I want. I live for sports because it's there that I find my worth.
