

KINGDOM DIAGRAM

VS.

Kingdom of self

Options for when people get in the way of my goal:

Manipulation: "Hop in the tank with me"

Intimidation: "Get out of my way"

Destruction: "I am running you over"

Kingdom of God

When I arrive at my **neighbor**, I have arrived at my **goal**. I am not to manipulate, intimidate, nor destroy them; rather, I am to **SERVE** them and consider them as more important than myself, my wants, my wishes, and my desires.

Goal: Whatever will make me happy

Goal: Love God and love my neighbor
